# Nefra

EDIT

**Nefra** is a former pirate, who used to be a member of the [Shivers](#). She is the current leader of the [Rooks](#).

She is the girlfriend of [Donna](#).

## The Downfall of the Shivers

When [Donna](#) was captured by the [Shivers](#), Nefra was also imprisoned with her, as [Akula](#) suspected she might turn on him.

After the [Party](#) assaulted the Shivers' hideout and [Akula](#) was executed, chaos quickly set in. From this anarchy arose two factions, the [Rooks](#) and the [Vultures](#), the former led by Nefra. She promised to stay connected to The Crescent Moon and stand against Nilfgaard's upcoming invasion.

## Chasing a Ghost

### Nefra

Affiliation [Donna](#)  
[Rooks](#)

Nefra ventured to [Vole](#), along with [Leftie](#) and [Althalos](#) to hunt down [Rhu'Gull](#) in the [Turoid Gemstone Mine](#). Their base of operations was in the attic of the Black Tree Inn. The [Party](#) met them here and they devised their plans here on eliminating [Rhu'Gull](#).

After the leader of the [Vultures](#) was successfully dispatched in the [Turoid Gemstone Mine](#), [Althalos](#) opened a portal to the [Bay of Tattersails](#), where Nefra kept a speech to bring the [Vultures](#) under the banner of the [Rooks](#). Having unified the two larger criminal organizations of [Cidaris](#), she now effectively rules the underground of the city.
